In case of break down or emergency, in which a team is not able to travel back to the weigh-in site under main power, anglers should contact tournament officials. The only legal way to return for weigh-in without your own power is by being towed in by a boat operated by another competitor in the event or a designated rescue boat, or by a team member transferring their clearly marked fish to another competitor's boat and coming directly to the weigh-in with their fish. No fishing is allowed during this time by any involved party. Arriving late, even with the aid of an official boat, as the towed boat or the towing or rescue boat is still late and all late penalties will apply. No exceptions. Both parties (the team with boat trouble and the team lending assistance) should file separate incident reports with tournament officials.

13. LATE PENALTY: Competitors who are not at the official safety check in point as described above at the appointed return time shall be penalized at the rate of one pound per minute to be deducted from the total weight of their catch that day, including any "Big Fish Award". Any competitors more than fifteen (15) minutes late shall lose all credit for that day's catch. There shall be no excuse for tardiness and in no case will a competitor be allowed to make up "lost time." Return time shall be defined as off-plane and plainly visible by the official timekeepers.

14. SCORING: Scoring shall be determined by the pound and ounce weight of each team's catch during the tournament. Each team's total weight will determine the final standings. Only Largemouth, Smallmouth and Spotted Bass, Red Eye or Shoal Bass will be weighed where permissible by state law. Length and bag limits of eligible fish will be set for each tournament and will be announced at each event.

All fish weighed must be kept in aerated livewells to keep fish alive and as fresh as possible for release. Any fish mauled, mashed, frozen, stringered, containing foreign or unnaturally placed matter to add weight or showing white gills, soft flesh or other signs of decomposition in the tournament official's sole discretion will result in disqualification. At no time shall a competitor have in possession more than the stated tournament possession limit. Tournament Officials will conduct checks for violations of this provision. In the event a competitor has in their possession more than the stated limit, officials shall cull, starting with the largest fish first, down to the stated limit.

Fish will be measured by a tournament official with fish's mouth closed and longest straight line. Only fish which measure the official length(s) shall be weighed-in. Any fish presented for weigh-in which fails to measure the official length limits shall accrue penalties at the rate of one pound for each non-legal fish plus loss of the fish. Once a competitor's catch has been presented to tournament officials, that team may not alter, nor add to their catch or return to their boat until their catch has been weighed and recorded.

An official written protest with \$100 fee must be made with a tournament official within 30 MINUTES of the last flights check in time. The fee will be returned if the protest is found valid. Following interviews with concerned parties, a ruling will be made. In the event rules infractions occurred a penalty of daily and/or tournament weight may be applied, and cash, prizes and awards must be returned if so requested. If a protest is found valid, the disqualified party must pay all investigative costs.

Each competitor or participant agrees by their signature on the entry forms and by their participation in the tournament, to submit to a polygraph or voice stress analyzer test (I.E. a truth verification test) should they be asked to for any reason and to abide by its conclusion. Tournament officials shall have sole discretion to select scope, when, where and who shall administer such an exam. Participant will make themselves available at their own expense for testing as scheduled. In the official's sole discretion, refusal to submit to exam or failure to pass a truth verification exam will result in disqualification. Randomly announced truth verification exams WILL BE GIVEN throughout the year.

16. CATCH & RELEASE: An 8 ounce deduction will be made for each legal fish presented to the bump master for weighing that is determined to be dead. Every boat must have adequate livewell space, properly aerated, to sufficiently maintain, in a healthy condition a limit catch by competitors using the boat. NABC recommends the use of livewell additive such as G-
